

## Farm to Door produce delivery from Peace of Prairie Organic Farm

Sign up for a season of hassle-free deliveries of fresh-picked, organic vegetables and fruits from the farm!

### How does Farm to Door work?

Customers sign up and pre-pay in spring for a season of weekly produce deliveries. Each weekend during the season, you'll get an email newsletter with farm news, recipes, and a list of what's growing that week. You can completely customize your selection and choose each item you'll receive. Or, if you prefer, we'll select what's best from the farm that week, with attention to what items go well together, and avoiding anything you've told us you don't like. Then, we'll harvest your produce and deliver it to your door each Wednesday evening.

Delivery service will be available to anyone within the city limits of Muskogee or Fort Gibson. If you're unsure or want to request another delivery area, call or email us, and we'll look up your address.

Accepting sign-ups  
now; full payment  
due by April 1<sup>st</sup>.  
Space is limited!

### How to sign up:

1. Send us your information: name, share size (half or full), phone number, email address, and address where you'd like to receive your deliveries. You can send a note by mail or email, or place a note in our farm stand payment box.
2. Send in a \$100 deposit or full payment: mail a check, put a check in our farm stand lock box, or call to pay by credit card

### Details

- **Why pre-pay?** Pre-paying is a huge help to small farmers, not only because it provides funds to get the season started, but also because it eliminates the need to deal with separate payments each week during delivery season. It also frees you up from thinking about payment or having to be home at delivery time. If pre-pay doesn't fit in your budget, contact us about alternatives.
- **How much does it cost?**
  - Half share: \$255 for 17 weekly deliveries (includes delivery fee)
  - Full share: \$425 for 17 weekly deliveries (includes delivery fee)
- **How much do I get?**
  - Half share: 4-5 items
  - Full share: 7-8 items
  - One item may be, for example, a head of lettuce, a bunch of carrots, a pound of tomatoes, or a cantaloupe
- **When are sign-ups and deliveries**
  - Sign-ups are now through April 1st; a \$100 deposit can reserve your spot, and we ask that you finish pre-paying by April 1st. However, contact us if you prefer a payment plan.
  - Space is limited!
  - Deliveries begin on Wednesday, April 8th, and continue every Wednesday through the end of July. Deliveries will be made after 5 p.m. so that produce doesn't sit on your porch during the hot afternoon! Produce is delivered in an insulated bag that we swap out for an empty one each week.
